CHICKS DEFEAT BARONS DESPITE

Alleged Arbiter Banishes Mc-Larry and Chief Lewis to Cover Up His Own Mistake. Final Score Is 4 to 3.

BY ZIPP NEWMAN.

BY ZIPP NEWMAN.

BIRMINGHAM, Ala., July 20.—Jack
Lewis' rejuvenated Tribesmen won the
second game of the Birmingham-Memphis series here yesterday afternoon, 4
to 3, in a game marred by Umpire Gifford's unjust decisions in putting McLarry out of the game and fining him
\$25 and also pasting a fine on Jack
Lewis's pay envelope for \$30. Local
fans hooted the woody arbiter for his
display of rank injustice and threatened to give him a pop bottle shower.

In the first inning with the count
three and two on Frierson, Umpire
Gifford turned to the Memphis playera' bench to call down McLarry
for yelling at the Birmingham
pitcher. As he turned around Meeker put over his fourth ball and Gifford missed the play, ordering Frierson back to the plate to bat over.
This peeved the arbiter and he vented his spleen on McLarry, who was
keeping up a running fire conversation, by putting him out of the
game and fining him \$25. Manager
Lewis wanted to know what it was
all about and Gifford fined him \$20
and will recommend that he and
McLarry be suspended for five days.
No ranker decision has ever been
given than the above one in the
history of baseball in Birmingham
and all the fans could talk about
was Gifford's unusual precedure
when he was at fault for missing
the play.

Marshall in Form.

Rube Marshall in Form.

Rube Marshall held the Barons at his mercy after the first, through the seventh, giving up two scratch hits. The Chicks hit Meeker hard throughout the game, scoring a run in the first, second and third frames, butting over what proved to be the winning run in the eighth. Marshall pitched a superb game for the Chicks, toying with the Barons in every frame but the eighth and ninth.

With one down in the first High walked and went to second on Stevenson's error, scoring on Carroll's double to right. The Barons came right back in their half and tied the score. Bernsen hit to Blades and he booted the ball, Stewart scoring.

Blades led off in the second with a double to left. Collenberger fanned and Marshall singled through short scoring Hades. In the third Carroll beat out an in-field hit, moving over to second on Bischoff's sacrifice hit. He went to third on Meeker's wild heave, and scored when Meeker bounced the ball off Peters' hoof.

Three Eight-Round Bouts and Battle Royal on Program. Dempsey vs. Curtis, Jude vs. Singleton, Minor-Rivers

BY BOB PIGUE, BY BOB PIGUE,

A triple windup will be the big feature attraction at the Southern Athletic club Monday night. Three eight-round bouts have been arranged along with a battle royal, which will give fight fans 27 rounds of milling. That it will be one of the best shows of the year is already assured.

A battle royal will start the ball to rolling, following which will come an eight-round mill between Battling Minor, a veteran middleweight, and Young Joe Rivers, a rugged young glovester just starting his career in the squared battleground.

tieground.

DEMPSEY VS. CURTIS.

The feature bout of the evealing will be a meeting between Young Jack Dempsey, of Memphis, and Jimmy Curtis, of New Orleans. The boys are bantsmweights, and both will be several pounds under 120 pounds when they enter the arena Monday night. The mill is carded for eight rounds to a decision, and it is certain that more action will be shown by this pair of baby battlers than has been seen in many a day.

Curtis has it on Dempsey in ring experience, having met any number of the leading bantsms in the fistic world during his career, among the number being Pete Herman, bantamweight champion; Joe Lynch, and others of the midget flock. He has decisions over some of the best boys in the game. Curtis will be favored over Dempsey to win when he enters the ring aithough the local flud will have his share of backers who figure he will give Curtiss. however, having won only live or six games and losing about

though the local find will have his share of backers who figure he will give Curtis a big surprise before the bout has traveled very far.

Dempise has been working at the S. A. C. for two weeks in anticipation of the boilt, and Curtis has been doing his training in a New Orleans gymnasium, so both will be in the pink when they climb through the ropes Monday night.

After having gotten an even break with the Birmingham Barons on the four-game series just finished, two games having been played here and the remaining pair in Birmingham, the Chicks pulled out of Slagville Thursday night bound for Atlanta, where they are due to open with Dick Kauffman's Crackers in a two-game series starting Friday.

Manager Jack Lewis, of the Tribe, is planning to use either Dazzy Vance or Bill Thweatt in the initial clash with the Crackers. Manager Kauffman will send either Tom Sheehan or Daniel Boone to the elevation in an effort to cop the opener. the remaining pair in Birmingham,

opener.
The Chicks and Grackers will wind up their stay in Atlanta Saturday, and both clubs will come to Memphis for four games, the first of which will be played Sunday, starting at 3:30 o'clock.

GIFFORD AGAIN.

Umpire Gifford—or rather Alleged Empire Gifford—has broken out again After having remained docae for a few days, the fining king of the South orn league brake out Thursday in Birningham and pustered fines amounting to \$15 unon Manager Jack Lewis and First Baseman Polly Mc-Larry, of the Chicks. The day prior to that Gifford bessed the books into two Birningham players, fining them

325 each.

Heports from Birmingham are that Gifford nissed a play and when his at tention was called to it, he became rile; and took the only recourse he had, which is to fine a player and rush him out of the park.

It is understood that Gifford is to recommend a five-day suspension of Lewis and McLarry, although such recommendation has not yet reached the siftee of league headquarters. ---

Six Races Make Up Program. Tight Going Expected in Three Events--Free-for-All Pace Looks Good.

Pace Looks Good.

Six good races, comprising 21 entries, make up Saturday's program and the speed committee has been unusually careful this week in accepting only those entries whose owners state positively will start. By this means it is hoped to avoid a repetition of the tiresome delay which occurred last Saturday, due mainly to scratches.

From a viewpoint of speed the second, third and fourth events will be the features, but the chances are that the best racing of the day will develop in either the fifth or sixth contest.

In arranging the free-for-all pace, Romac Mills was samin pitted against Tip Top with the understanding that the McCallum mare be given the pole. Both horses worked to order Wednesday, Tip Top stepping a mile on the outside of his stable mate, Vanda Vincent, in 2:13 and finishing very easily, it is generally conceded that with the pole in her possession Romac Mills is going to give the Orgill golding a race that he will remember for some time to going to give the Orgill gelding a race that he will remember for some time to

that he will remember for some time to come.

Last week Wiki Nui set the season's trotting record at 2:12½ and although her strenuous efforts the first heat caused her to tire and eventually lose the event, she trotted the best race of her career and Owner McCreery immediately askee for another crack at the winner, Alice A.

Julius Goodman, owner-driver of the latter mare, quickly agreed to another match and added further that he thought the trotting record would again be reduced, but not by Wiki Nui.

Oregon Boy in Shape.

The fourth is practically another ivision of the free-for-all pace and he winner here will in all likelihood to pitted against the winner of the hird race hext week. Oregon Boy is ust rounding to form after a long and redous trip from the Illinois Valley ircuit, and if he is fit should give he other catries a trimming. Vanda lineant is improving every week and adging from her work with Tip Top his week she should step a couple of tips in 2:12 now.

the little roan flyers, says he is going to demonstrate so Owner Goodman that is keeping Oregon Roy and selling Ruby Bingen he is letting the better horse get away.

In the sixth, four pacers go after a lone trotter and the chances are that the talent will string along with the trotter, because he has been a mile in 2.16 and is the stadiest horse in the field. Aleck Penn and Frank Bragg went a great race last Sixturilay and although Bragg got the decision the Payer parey went. The fastest entry in the burch and if he gets away from his dancing notions and decides to larce, the rest won't know which way he goes. His win in 2.16 over Ruby Bingen Saturday, with the first eight in 15½ seconds, gives some idea of his great speed.

Gertie B. threw a shoc her last race and had to be drawn, so no line on her present condition is available. She has won a heat in 2.16, however, and was separately timed in another occasion in 2.124, ao looks to have a composite of the present condition is available. Four trotters and two side-wheelers try conclusions in the fifth race with Strother Hubbard entering one of each gait. If Lucy Knight is ready for a hard race she should win as site has the speed and manners of a free-for-all candidate. Her first start, two weeks ago, which resulted in a victory, was simply a jog for her. Dixon Dillon and licity Boyd have each won a heat when darkness called a fadt last week and can be counted on to go a good race, with the edge aroladby favoring the Russell mare. Just how good Black Satin is will have to be brought out in the race as the railbirds credit his fastest workout all the way from 2.18 to 2.35.
